

100,000 Homes Registry Week Boot Camp Whittier, Los Angeles

As part of the 100,000 Homes Campaign, communities across the country have created by-name registries of their homeless residents during a weeklong event called Registry Week. The 100,000 Homes Campaign and Whittier Connections invite you to meet Campaign leaders from across the country and learn everything you need to know to implement your own Registry Week!

Members of your Campaign team will participate in a 3-day intensive training on all aspects of planning and implementation of a Registry Week with the national 100,000 Homes Campaign team. You'll then get a first-hand feel for Registry Week by joining two of Whittier's Registry events.

When: November 9 - 11, 2011 (schedule on next page)

Cost: This training is free to Los Angeles Campaign communities. The cost for communities outside of Los Angeles is \$500 per person to cover materials, training and meals.

Where:

- Intensive training will be held at the United Way of Greater LA, 1150 S Olive Street, Los Angeles, CA, 90015.
- Whittier registry events will be held at First Christian Church, 6355 South Greenleaf Ave, Los Angeles, CA, 90601.

Who: Key leaders from your local campaign team who will play a lead role in organizing your Registry Week. Attendees may include a local community champion, a 100K homes project manager, a staff person from your housing authority or local VASH program, key staff from a local human services agency or homeless coalition, or partners from your business, faith, or philanthropic communities.

To Register
